## Molly's Memo

In only 2 short years we've managed to conquer the second floor of Hurts. What will year 3 bring?

## Toe-Down Hoedown

Join us on September 23<sup>rd</sup> for our second annual Toe-Down Hoedown from 5:30 to 8:30pm at the Maple Bluff Country Club! This is a family friendly event and a fundraiser to help support CMBA, and allow us to continue providing excellent training for students. Last year, Tom busted out some great moves, and everyone had a blast!

With Lynn "Chirps" Smith on the fiddle and Roger Diggle on guitar, make sure to bring your cowboy hat and boots, and show off your dance moves.

How will you know what moves to show off? The lovely Dot Kent will be the caller for our Hoedown! What's a caller? A caller is the person who calls out the moves for the dances.

For more information and to buy your tickets for the Hoedown go to [cmballet.org](http://cmballet.org)

## Free Line Dancing Classes Update

We have already had one line dancing class! Our second free line dancing class will be on Saturday, September 16<sup>th</sup>. It's an hour long class from 4-5pm, and there's no need to register. Molly's brother Andy, teaches and it is super fun. You learn fun dances to current and popular songs. Last year, we had students, parents, friends, board members, and teachers attend. Join us for the fun!

## Classes Have Begun

Classes began on September 5<sup>th</sup>. Our Standard, and Pre-Professional Division students will be spending time in both our regular studio, and our new studio above Hurt's Donuts! Construction on the Hurt's Studio starts on September 15<sup>th</sup>, and I can't wait to be able to have more classes, and a new and different environment! The full 2017-18 school year calendar and schedule can be found on our website.
