Dancer: Heidi, Standard Division

A stance where one foot is placed in front of the other. The front foot's heel is placed near the back foot's arch. Unlike first and second position, third position has two versions: the right or left foot in front.

Molly's Memo

"It's been a busy summer, and the year will be even more so. Please know my door is always open, even if you just want to chat."

-Molly

Welcome, 2015-16 Students!

September is a very busy month for CMBA. In fact, so busy we couldn't fit all of these events into our Important Dates column! Although our first class does not start until next week, we had an excellent Studio Clean-Up day. Thank you CMBA and CDR students for your help. We do have a few more upcoming events...

Saturday, September 5, we will be installing the marley on the floors. We have a few dancers committed to this event already, but if you're interested and up for heavy lifting, please contact Molly.

Tuesday, September 8, there will be a Ribbon Cutting Ceremony in the studio with Mayor Kurt Sonnentag at 5:30. Even if you don't have class that night and would like to be in the photo, we would love to see you there!

Important Note

With the Ribbon Cutting Ceremony and some final construction work, first week class schedules will be altered. Keep an eye out for an e-mail update and check the bulletin board.

Facebook Page Now Active

We are eager to announce that we have recently created a Facebook page! We will be posting information and pictures of important events not only occurring within Central Midwest Ballet, but throughout the dance world and its important history. We've already posted some pictures from the Inaugural Picnic!
