

BOY'S CLASS INFORMATION

This class is focused on learning the steps and building the strength required by male ballet dancers for jumps and turns as well as core ballet technique.

Students should come prepared with a water bottle.

Dress Code

TOPS

- White leotard or t-shirt tucked into tights, most dancers wear simple undershirts

BOTTOMS

- Black tights or leggings – ankle length or footed (if footed, they need to be convertible so dancers can be barefoot)
 - IF NEW TO BALLET: Dancers may start by wearing simple black shorts if they are uncomfortable with tights or leggings at first. Shorts should be shorter than their knees so we can see their leg alignment

UNDERGARMENTS

- Nude dance belt, full seated or thong style
 - IF NEW TO BALLET: Dancers may start by wearing compression shorts under their dance attire. If they continue with ballet, they will need to learn to use a dance belt for both safety and costuming needs.
 - We are aware dance belts can be quite a new idea. We recommend as a wonderful resource for parents this website - [ballet help desk](#). We are happy to meet with you to discuss if you have any further questions.

SHOES AND MISCELLANEOUS

- White, grey, or black dance slippers with elastic straps
- White socks may be worn
 - Dancers often prefer very thin socks
- Hair must be off face, if applicable also secured back in a classical bun or similar style. Headbands are acceptable
- No jewelry or watches, including fit bits and similar. Small earrings are acceptable.
